

# ADVANCE PREPARATION

● How to set up and check reception

Notices from the Kanazawa University Emergency Contact System (C-SIREN) will be sent to your Kanazawa University ID application or to your pre-registered e-mail address. please set up your C-SIREN reception preferences or confirm email receipt using either of the following methods ① or ② so that you can appropriately respond to C-SIREN on the day of the training.

## 1 Answer via the Kanazawa University ID application\*.

Activating the PUSH Notification System on KANAZAWA UNIVERSITY ID App allows you to quickly check C-SIREN notifications from the "Portal Notifications" section.

### Install the KANAZAWA UNIVERSITY ID App from the following URL or QR code.

KANAZAWA UNIVERSITY ID is required to install and use this app.  
[Reference] <https://note.w3.kanazawa-u.ac.jp/contents/615>

### Activate the Push Notification setting in the KANAZAWA UNIVERSITY ID App.

You must complete all 3 settings below to receive PUSH Notifications.

[Reference] <https://note.w3.kanazawa-u.ac.jp/contents/681>

**Step 1. Turn on the push notification setting in the Acanthus Portal app.**

<p>1. Log in to your Acanthus Portal and open the "App PUSH Notification Setting" through "Message Setting" in Personal Setting.</p>	
<p>2. Turn the setting "ON" for the PUSH Notification Setting and save the change by click [この内容で保存] button at the bottom. All notifications from C-SIREN will be delivered to you regardless of category if the setting is turned "ON".</p>	

**Step2. Turn the setting "ON" with the App PUSH Notification in KANAZAWA UNIVERSITY ID**

--	--	--

**Step3. Turn the setting "ON" on your iOS/Android device for the notifications via KANAZAWA UNIVERSITY ID App.**

## 2

## Answer from your usual e-mail address.

Please confirm that your email address is registered with the Acanthus Portal and that you have received the e-mail prior to the Location confirmation.

Please confirm your e-mail registration with the Acanthus Portal.

### Step1. Set your forwarding e-mail address
