### Application guidelines for the waiving of admission fees and tuition fees (second semester)

### (sudden change in household finances)

### [For those whose household finances were affected by large-scale disaster]

This application guideline applies to those whose households have suffered a sudden change in finances due to the direct or indirect effects of a large-scale disaster. **Admission fee waiver** can only be applied for **students who enrolled in October 2025**.

- \*1 **In addition to this waiver system, undergraduate students** are eligible for **the new academic support system** (National financial support system through JASSO scholarships and reduction/exemption of admission fees and tuition fees. Includes free admission and tuition fees for students from multi-child households. Hereafter referred to as the 'new system'). **However, those who have graduated from high school more than three years prior to entering the University and privately- financed international students are not eligible.**

Please check the University's website below and apply for the new system (application for the JASSO scholarship for students enrolled at the University). If you are granted a waiver under both systems, the result of the one with the higher waiver amount will be applied.

[https://www.kanazawa-u.ac.jp/students/economic/school\\_support](https://www.kanazawa-u.ac.jp/students/economic/school_support)

- \*2 **In the case of graduate school, Bekka and undergraduate courses not covered by the new system**, if the house in which the livelihood maintainers lives is 'medium- scale partially destroyed' or 'partially destroyed', it is possible to **apply for the University's own waiver system ('for new students' or 'for current students')** in addition to this **waiver system**. If waivers are granted under both systems, the result of the one with the higher waiver amount will be applied.

Check the application guidelines on the University's website below, prepare your application documents and submit them by the deadline.

In some cases, the application may be rejected because the criteria are not met.

## 1. Large-scale disasters eligible for application

- **The Noto Peninsula Earthquake of 2024**
- **Large-scale disasters (severe disasters or similar) occurring on or after 1 October 2024**

## 2. Eligible applicants

Example 2: When the livelihood earner loses his or her job

Example 3: When the livelihood earner is unable to work for more than six months due

- (2) If you withdraw, take a leave of absence, return to university or complete your studies (e.g. complete in June or December) between the base date for the waiver application (1 April for the first semester and 1 October for the second semester) and the date for the result to be announced, a waiver will be granted for the tuition fees charged for this semester, so please make sure to inform the Student Support Section of the Student Services Division.
- (3) Students who have received disciplinary action in the semester preceding or during the semester for which they are applying are not eligible to apply. ### 【Undergraduate courses covered by the new system】

Please contact the Student Support Section of the Student Services Division as soon as possible to find out if you are eligible to apply for **the new academic support system (sudden change in family finances)** based on the 'Japan Student Services Organization (JASSO) scholarship' and 'reduction or waiver of admission fees and tuition fees by the university'. After confirming whether you are eligible to apply, we will instruct you on the application documents, application deadlines, etc.

\*For those already certified in categories II-IV, the support category may be changed by applying under the 'sudden change in household finances' quota. Those already certified in Category I are fully waived under the new system and therefore do not need to apply for this waiver system.

### 3-3. Points to note when applying

- (1) Various forms are available from the University's website at the following address. Paper copies are not available; please print and complete the forms yourself. Document size is A4.

- (5) Where an application is found to contain false information, any admission fee or tuition fee waiver already granted shall be revoked (the regular tuition fees must be paid in addition) and no further tuition fee waiver application will be accepted.
- (6) Since we automatically transfer tuition fees from your bank account, you need to go through the account transfer procedure even if you apply for tuition fee waiver. We confirm that you have completed the account transfer procedure for tuition fees when examining your application for tuition fee waiver. Those who have not completed this procedure must obtain the procedure documents from the student affairs office of your department and complete it by the time you submit the application documents. Privately financed students who have not yet arrived in Japan should complete the account transfer procedure after arriving in Japan. If you cannot make an account transfer due to some circumstances, please inform to Student Support Section.

- (3) In conducting the operations in (1) and (2) above, some tasks may be outsourced to external companies. In such cases, a contract will be agreed between the University and the contracting entity to ensure the appropriate handling of personal information, whereupon some or all personal information shall be provided to that entity.

## 6. To Students and Parents

In principle, tuition waivers **should be applied for by students themselves** to encourage their independence. If anything is unclear in the screening process, we will ask the student himself / herself. **Please apply by the student himself / herself after fully**

### understanding his / her family situation.

In addition, in order to ensure equity and fairness, each deadline for applications will be handled strictly. Therefore, **we will not accept applications after the application period has passed for reasons not attributable to the University**, such as "I did not know," "I did not notice the notification," or "I was busy.".
