School of General Education Science course		9:30~12:00	B1 Lecture Room, General Education Lecture Hall			

※Note for students in the College of Science and Engineering: An orientation for students planning to study abroad from our university will be held after the departmental orientations. Please be sure to attend. (Approximately 20 minutes)

(Notes)

- 1 If you are experiencing a fever or any health concerns, please refrain from attending and contact your academic affairs office in advance to discuss alternative arrangements.
- 2 Students admitted through the integrated humanities course and science course entrance examination will be enrolled in the School of General Education during their first year.
- 3 Please note that the orientation schedule may vary, and the ending time is subject to change.
- 4 Make sure to complete the reception process well before the starting time.
- 5 Wearing a suit is not required.
