12:00 PM Campus-wide Start

## Drill Flow

Follow the emergency earthquake  
announcement at 12:00 PM!

- 1 Take "Personal Protection Steps"  
for 1 minute to reduce the chance of injury
- 2 Evacuate from the building  
to nearby safe space outside(temporary  
evacuation area) using the designated  
evacuation route.
- 3 Report your presence  
to the person in charge upon arrival at the  
temporary evacuation area.

Check  
the website  
for your  
assembly area!

**Emergency Food Supplies for All Participants!**  
Emergency food supplies from the university's emergency  
stock will be distributed at each assembly area.

\*Provided through the university's emergency stock rotation program.
