

An Assistant Professor position in Molecular Biology and Biochemistry at Kanazawa University, Japan
(Application period extended)

The Faculty of Pharmacy at Kanazawa University strives to enhance education and research in pharmacy. To strengthen the research organization promoting the research project "Unmet Medical Needs Research" listed in the pharmaceutical field, we invite applications for one position as an Assistant Professor in the Laboratory of Inflammatory Memory Medicine to the following guidelines.

1. Position

Assistant Professor, 5-year fixed-term contract (further renewal is possible)

Examination Matters in making a decision on the approval for reappointment

- Educational activities, including the status and activity of guidance for students
- Research activities, including publications, conference presentations, and research funding status

2. Job description

(1) Education

- Lectures of general education courses of bachelor's programs
 - Lectures, seminars, practical training, and graduation research at the School of Pharmacy and the School of Medical and Pharmaceutical Sciences
 - Specialized education and research guidance for students at the Graduate School of Medical Sciences
- You may be required to teach classes in English.

(2) Research

Research to elucidate the molecular mechanisms underlying cellular memory of inflammation (inflammatory memory, innate immune memory), clarify its pathophysiological significance, and advance drug discovery for intractable diseases.

3. Scheduled starting date of employment

As early as possible on and after February 1st, 2027

4. Qualification requirements

- Applicant must have a doctoral degree at the latest by the time the appointment begins.
- Applicant must have enough experience in both research in the areas of molecular biology and biochemistry, and be capable of promoting high-level research activities in the above-mentioned area after appointment.
- Applicant should be passionate about teaching at the undergraduate and graduate (master's and doctoral) levels.

5. Required documents

- (1) Curriculum vitae (A4 or US letter size with an attached photo and showing E-mail address and academic society you belong to)
- (2) Summary of previous research (free format within 2 pages of A4 or US letter size)
- (3) Plan and commitment to education in pharmaceutical sciences and research (free format within 2 pages of A4 or US letter size)
- (4) Achievement list (A4 or US letter size)
 - Publications: Classify them into original papers, reviews, books, and list them in order of publication year (Mark the original papers for which reprints are to be submitted). List the names of all co-authors in the order of publication, underline the applicant, and put a star mark on the corresponding author. For reference, the number of citations and the latest Impact Factor of the published journal should be added, and if paper is not peer-reviewed, please indicate that.
 - Conference presentations: List in order of year of presentation
 - Acquisition status of research funds: Divide the research funds obtained over the past 10 years into the following categories: Grant-in-Aid for Scientific Research (KAKENHI), grants for public research other than KAKENHI, and research funds by companies and foundations, etc. List the funding name, name of the research project, duration, and grant amount. Also, clearly state the principal investigator or co-investigators.
- (5) PDF files of 5 most significant research articles
- (6) The names, affiliations, addresses, phone numbers, and E-mail addresses of two referees

Applicants may be asked to come to Kanazawa University for interviews. Applicants must bear the expenses incurred in that case. Personal information is protected by the relevant Japanese law.

6. Deadline for application

Documents must arrive by 5:00 p.m. (JST) on Thursday, October 15th, 2026

7. Application procedures

Please send the application form by E-mail entitled "Application to an Assistant Professor in Molecular Biology and Biochemistry " to General Affairs Section of Faculty of Pharmacy and Cancer Research Institute Support Division, Kanazawa University.

※Please convert all documents to PDF files, combine them into a ZIP file, and send the ZIP file.

E-mail: y-somu@adm.kanazawa-u.ac.jp, Tel: +81-(0)76-234-6840

As we cannot receive E-mails larger than 10 MB, please use an upload site if the size of the ZIP file exceeds 10 MB. Upon receipt of the E-mail, the administrative staff will promptly acknowledge it. Please contact the administrative staff by phone, if you do not receive a confirmation within two business days.

8. Contact information

Prof. Tomoaki KOGA, The chair of recommendation committee
